## Summary

I'm a freelance Web Developer who enjoys building websites with modern and responsive designs. My portfolio can be found at [www.josiahschaefer.com](http://www.josiahschaefer.com).

---

## Experience

### **Data Management Intern at Zimmer**

June 2014 - Present (1 year 1 month)

Works with Front-End Oracle RDC to test online forms for accuracy and consistency. Tests for logic errors and proper field values. Manually compares paper forms to online database forms. Does periodic data audits of patient files for accuracy and proper documentation. Looks for ways to implement better testing practices such as automatic testing and better form organization.

### **Reset/Remodel Team Leader at Serv-u-Success**

July 2013 - June 2014 (1 year)

Shelf Resets at local Meijer Store.

### **Merchandiser at Serv-U-Success**

April 2013 - July 2013 (4 months)

Stocking of specific Serv-U-Success Merchandise at local Meijer.

### **Rehabilitative Service Provider at Otis R. Bowen Center for Human Services**

December 2012 - April 2013 (5 months)

Skill building/Life coach/Social Worker for families and individuals in the area.

### **Youth Treatment Specialist at Lifeline Youth & Family Services**

2012 - 2012 (less than a year)

---

## Education

### **Grace College and Theological Seminary**
